Artwork Submission Form – Changing Seasons II: Byway Exhibit

The Byway: Situated southeast of Buffalo, the Western New York Southtowns are graced with a series of highways brought together under the banner of WNYSSB (**W**estern **N**ew **Y**ork **S**outhtowns **S**cenic **B**yway) to unite numerous towns and villages into a regional attraction. WNYSSB is a volunteer-driven nonprofit organization. Find out more at wnyssb.org.

What we are looking for: This biennial juried exhibit of work is inspired by the area along the WNYSSB. Work may be representative of, or merely inspired by, this designated scenic route, which meanders through Aurora, Boston, Colden, Concord, East Aurora, Orchard Park, Springville, Ashford, and Ellicottville. Sights along the byway include waterfalls, historic villages, a gorge, farms, historic cemeteries and the ever-changing seasons. Submissions may include a scenic depiction, a portrait of someone important to the Byway, an abstract inspired by the Byway or other work connected to the Byway. Work does not have to be a scene only viewable from the road.

Submission due by: 8/3/2019: To submit: Email this completed form, along with digital images of your pieces to: scaartsubmissions@gmail.com. High quality images will better represent your work to the jurors. We recommend photographing your work out of its frame. Please rename your files to your name and the title of the piece.
