

## Summer 2020 Theater Internship / Residency Application

### Children's Theater Summer Internship / Residency

Springville Center for the Arts (SCA) is a growing multi-arts center located in a rural community in Western New York State. Our programming includes theater, concerts, gallery exhibits, workshops and more based out of an 1869 former church. We are seeking college-aged interns for a summer residency program that involves a wide range of disciplines and experiences. Activities include acting, teaching, and managing theater productions.

Participants will:

- Fill all on and off stage roles to produce a touring theater program for elementary age children.
- Teach/direct a variety of workshops during our 6-week summer children's program including musical theater for grades 4-8, playwriting, creative movement, and more. Class topics are based on the skillset of the applicants.
- Produce/direct a larger scale musical production with local high school and college students.
- Work with a team of music, education, media, technical, and visual arts interns

The program begins immediately after the Spring semester and ends mid-August (13 weeks).

Housing is provided in the parsonage house adjacent to Springville Center for the Arts and will be shared with other interns. A stipend of \$150 per week is provided.
