### Summer Internship / Residency

Springville Center for the Arts (SCA) is a growing multi-arts center located in a rural community in Western New York State. Our programming includes theater, concerts, gallery exhibits, workshops and more based out of an 1869 former church. We are seeking college-aged interns for a summer residency program that involves a wide range of disciplines and experiences.

Participants will:

- Work with local government and the Public Art Council to implement public art projects.
- Teach/direct a variety of workshops during our 6-week summer children's program for grades 6 – 12 including drawing, painting, puppetry, public art, and more. Class topics are based on the skillset of the applicants.
- Work with students aged 2 -11 in our creativity programs based on the Reggio Emilia approach.
- Work with a team of other music, education, media, technical, and visual arts interns on a variety of multi-arts programs.

The program begins immediately after the Spring semester and ends mid-August (13 weeks).

Housing is provided in the parsonage house adjacent to Springville Center for the Arts and will be shared with other interns. A stipend of \$150 per week is provided.

Requirements

- Because of legal requirements, you must be seeking a degree in an arts or education related field: Art, Arts Education, Graphic Art, Art History, Painting/Drawing, Sculpture, etc.
- Interest in teaching, and/or leading children in a workshop setting.
